Foreword

We, the annual staff, are proud to present our finished product--The 1963 MOHI. We have pictured, here and there, Mount Olive, "The Pickle Capital of the South," and the people who live here.

We have tried to convey the activities of the past year, and we invite each and everyone of you to share our brief moments of glory and of trial and error. However, time and space prevent us from picturing all the memories that were packed into this full year.

The Staff, however, has furnished only the outline of the story that we find when we turn these pages. The rest is provided by the individuals.

It is not today that you will appreciate the MOHI. Tomorrow, when it is not so easy to think back on 1963, we will treasure the memories this book has stored for us.

Dedication

To you who have understood, assisted, and encouraged us; to you who have sacrificed so generously to prepare us to take our place among citizens of two worlds, earth and heaven--to you, dear parents, we the Senior Class of Mount Olive High School dedicate our 1963 MOHI.

Annual Staff

CO-EDITORS

Gayle Williams

Florence Carole Wilson

Putting together a yearbook involves much hard work and brainracking, but the finished product always brings a great deal of satisfaction to those who helped assemble it. This year was no exception. Overcoming many set-backs, nervous breakdowns, and mental callapses, the MOHI Staff feels that several strikes forward have been made in the way of new ideas.

Mrs. Summerlin, our Advisor, helps Starkey Wells, Circulation Manager, and Becky Britt, Business Manager, plan our sales campaign.

Discussing picture plans are Ray Patten, Photography Editor; Brenda Jones, Club Editor; and Danny Kornegay, Assistant.

Sports Editor, Gene Brewer, poses for Art Editor, Cindy Rowe.

Typing and checking the MOHI are Buzz Goodson, Corky Smith, Eugenia Best, Anne Swinson, Bobbie Jean Whitman, Windy Miles, D. C. Summerlin, and Carol Wilson.

In Appreciation

To these persons, Miss Mary Ann Oates, Mrs. Eddie Summerlin, and Miss Kathleen Dail, we wish to express our appreciation for guidance, instruction, patience, and thought. Each of us sincerely extends his fondest thanks and best wishes for the future.

COACH WILLIAMS and
COACH McCLENNY

The football outlook for the 1962 Panthers doesn't look very bright. Gone from last year's conference champions are all-conference Dallas Sutton and Grey Geddie along with other outstanding performers--Eugene Bryan, Richard Porter, James Best, Tom Sutton, and Glenn Dail. Steve Denning, the most outstanding End in conference last year, will be unable to play due to an operation. To have a fair season newcomers will have to come through and play well. We have a speedy backfield returning with Whitfield, Simmons, Brewer, Herring, and newcomer Knowles. The line will be anchored by Corky Smith the only returning starter in the line. Paul Sasser at center, Al Geddie, Joe Taylor, and J. W. McClenny are other lettermen returning. If we can improve as the season moves along, we should be one of the strong teams in our conference, says the Coaches.

The outlook looks bright with four returning starters: Beverly Scarborough, Carol Wilson, Anne Swinson, and Irene Holmes. Returning lettermen Mary Barwick, Brenda Jones, Laura Wolfe, Becky Britt, should give the PANTHERETTES added strength. 1963 Panthers

The outlook for the 1962-63 basketball team is one of the best we have had in recent years. This is due primarily to the fact that we have seven returning lettermen with experience.

Gene Brewer, Roddy Knowles, Earl Grimes, forwards who saw action as starters during their Soph. and Jr. years. Bud King, a senior, was used mostly as a reserve.

The J. V. 's who saw action last year are Doug Simmons, Larry Jones, and Dickie Reaves. These were a great help in the championship team last year.

1962 Track

COACH McCLENNY

In 1962 Mt. Olive had its 1st track team in 25 years. This addition to the Athletic Department was a great asset. With only 11 boys the team placed 4th in a 5-team meet at Burgaw. This helped the attitude of the boys a great deal. After this the 3-team meet came at North Duplin in which we took 1st place. Then we went on to defeat North Duplin in a duel meet there. For the last meet of this year the track team traveled to Goldsboro where they were defeated.

The leaders for the 1962 team were as follows: Doug Simmons and Roddy Knowles ran the sprints and did the jumping and relays. Joe Taylor was our distance runner. Gray Geddie was outstanding in the shot put and discus throwing. Cliff Phillips, Jackie Winstead, and Royce Brock ran the 440 and relays.

In 1963 thirty boys are expected for track says Coach Dave McClenny.

FIRST ROW: Roddy Knowles, Al Geddie, Eugene Bryan, Gray Geddie, Jackie Winstead, SECOND ROW: Joe Taylor, Cliff Phillips, Doug Simmons, Royce Brock, and Stevie Kornegay, Manager.

One Block From the Main Gate of SJAFB
2607 East Elm 735-0040

During the year of 1963, Mr. Cletus Brock, editor of the Mount Olive Tribune, wrote the editorial below recognizing the Mount Olive Teenagers. We know we would not deserve these words of praise without the support and love of the wonderful people of Mount Olive.

Mr. Brock, we only hope that we are able to live up to this honor not only as teenagers of today but as adults of tomorrow.

A BOQUET FOR OUR TEEN-AGERS

". . . Mount Olive young people served to emphasize, to those present, that regardless of what else our community may be proud of, there's nothing to compare with the tremendous asset we have in our youth. . . .

Nobody knows, of course, what the future holds for them. Doubtless the problems of living in these complex times will prove too strenuous for all of them to develop to the fullest the qualities they now possess. But it does lift our spirits to see the current and potential goodness and greatness so evident in these young citizens at the present.

When you stop to consider it, Mount Olive's young folks also have an enviable reputation in the matter of deportment, wherever they may go. We have much less than the normal amount of vandalism, poor sportsmanship, or trouble with the law among our young people than do most towns and communities our size.

It may be our age, though we doubt it, which makes us think that, taken as a whole, Mount Olive has the very best-looking group of young folks you can find anywhere. Today, when young people are receiving so many brickbats from all sides, we're happy to be able to toss a bouquet like this to Mount Olive's teenagers. We believe they deserve it." --CB
